

## WARRANTY - SPC VINYL

### The Cascade Series SPC Vinyl Warranty:

This warranty is extended to the original purchaser **ONLY** and is not transferable. It is the responsibility of the installer and/or home owner to inspect planks prior to installations. Planks that are defective or visually not acceptable, should be discarded or possibly used in another location of the room. **Urbanfloor™ accepts no responsibility for costs of product or labor when planks with visible defects or irregularities have been installed.**

IMPORTANT: Cascade's installation and maintenance guidelines **MUST** be followed as a condition for this warranty. Any floor installed outside of printed installation and maintenance parameters is subject to denial of the claim. Detailed installation instructions are included in cartons of Cascade SPC flooring or online, along with maintenance guidelines at [www.urbanfloor.com](http://www.urbanfloor.com)

## RESIDENTIAL AND LIGHT COMMERCIAL WARRANTY

This warranty applies to Urbanfloor's Cascade series, SPC (Stone Composite) flooring, purchased from an authorized dealer and installed in a residential or light commercial area.

Urbanfloor™ warrants that the Cascade flooring sold under this warranty is, at the time of sale, free from defects in material and manufacturing and that it conforms to the standard specifications for the product category. Urbanfloor™ further warrants that when installed and maintained according to product specifications and when used according to its intended purpose, the flooring will not wear through, delaminate, separate, buckle or cup as a result of a manufacturing defect (Visit the following links for Cascade's installation [http://www.urbanfloor.com/Installation\\_Guides.html](http://www.urbanfloor.com/Installation_Guides.html) and maintenance <http://www.urbanfloor.com/Cleaning-and-Care.html>).

If your Cascade flooring fails for any of the above reasons, Urbanfloor™ will replace, at its option, a portion or all the flooring at no cost to the original purchaser so long as the original purchaser still owns the property where the floor was installed. The warranty includes replacement material only and excludes any labor costs. The Cascade warranty is only extended to flooring maintained in normal environmental conditions, meaning that the heating and ventilating systems are working to maintain an interior humidity level between 30% to 50% and a room temperature between 65°F to 85°F year-round.

## WARRANTY PERIOD

The Cascade series is warranted to be free from manufacturing defects for 20 years from date of purchase in a residential application and for 10 years in a light commercial application.

- Abuse, neglect, abnormal use or misuse, application of solvents, corrosives, or other chemicals, etc. improper cleaning or maintenance products.
